**An event to benefit the Baptist Homes Society's
Samaritan Fund for Resident Assistance**

Proudly providing pharmacy and clinical services to the residents and families of Baptist Homes and Providence Point for nine years.

Welcome and Thanks!

Our 23rd Annual Charity Golf Invitational is a sellout, with 144 golfers and 215 dinner guests in attendance. Baptist Homes Society owes thanks to many people for this accomplishment, but it starts with you. Thank you for joining us to help raise awareness for our mission, and funds for those entrusted to our care.

For 106 years, no matter the circumstances, we've never asked anyone living in either of our South Hills senior communities to leave because they could no longer afford to pay for their care. This commitment remains the core of our mission. But maintaining a legacy of quality care and benevolence is challenging. That's why we're here today.

Without our sponsors, participants and volunteers, this event wouldn't be possible and the nearly \$120,000 that we'll raise wouldn't be there to assist residents who have outlived their resources. That's why I want to offer special thanks to all of our sponsors, but especially Transport U, Curtis Long Term Care Pharmacy Services and Spectrum Consultants, Inc. who underwrote the majority of the cost of this event. We are also honored to have Carol Semple Thompson as our honorary chair for the fourth consecutive year. Her presence enriches the historic Allegheny Country Club and endorses the importance of our mission.

Then there are our boards, Auxiliary and other dedicated and conscientious volunteers, donors and friends who keep our focus on those entrusted to us and lead by example. We are truly blessed.

So whatever role you played in today's success, know that you have made a difference in the lives of the persons we serve. Tonight, Emily Doublet will join us at dinner to tell you firsthand what your support means to her and all who have benefitted from your generosity.

On behalf of everyone served by our dedicated staff, thank you and God bless you for your support of our mission and this event.

President & CEO
Baptist Homes Society

Carol Semple Thompson, Honorary Event Chair

For the fourth consecutive year, Carol Semple Thompson is serving as Honorary Chair of Baptist Homes Society's Annual Charity Golf Invitational.

Her accomplishments as an amateur golfer are legendary, having won seven USGA championships, a record 12 Curtis Cup selections (plus two more as non-playing captain) and a record number of appearances in USGA individual competitions.

Her dignity, integrity and graciousness have made Carol one of the game's great ambassadors, and in 2003 the USGA bestowed its highest honor on her by naming her the recipient of the Bob Jones Award. The award is given annually to an individual in recognition of distinguished sportsmanship in golf and seeks to recognize a person who emulates Jones' spirit, his personal qualities and attitude toward the game and its players.

Carol has been captain of two victorious USA Curtis Cup teams, one in June of 2008 at the Old Course in St. Andrews, Scotland. She won the 1973 U.S. Women's Amateur and the following year claimed the Ladies British Open Amateur title.

When the USGA created a U.S. Women's Mid-Amateur Championship for players 25 and older in 1987, Carol won that event twice: in 1990 on her home course, Allegheny Country Club, and again in 1997. Upon turning 50, she turned the USGA Senior Women's Amateur into her own personal invitational, winning four consecutive championships from 1999-2002.

The 1973 Women's Amateur title at Montclair (N.J.) Country Club remains a seminal moment. It was Carol's first national championship and brought her to the forefront of women's golf. Her other major highlight occurred at the 2002 Curtis Cup at Fox Chapel just outside of Pittsburgh.

Playing in her 12th and final match and near her hometown of Sewickley, Carol came to the 18th hole of her Sunday singles match against Vikki Laing all square. Faced with a 27-foot birdie putt from the fringe, Carol provided the match's poignant moment, holing the putt that retained the Cup for the Americans.

The exclamation mark on her career came with her induction into the World Golf Hall of Fame. We are blessed to have her as a friend.

Our Mission

To provide the highest quality of living for all those we serve, while uplifting one person at a time.

Our History

Since 1910 Baptist Homes Society has touched the lives of numerous older adults and their families throughout Pittsburgh's South Hills. We are a not-for-profit charitable organization serving adults of all faiths who require assistance because of age, illness or disability. We are dedicated to providing care regardless of financial status. The Samaritan Fund for Resident Assistance allows us to continue to care for residents even when their finances have been depleted. The funds raised through this event will be used exclusively to assist those residents who can no longer afford the care they are receiving. We thank you for contributing to the success of this event and hope that you will join us again next year.

Emily Doublet

Not a woman of means, Emily Doublet says that after nearly three years on a waiting list, she was blessed in 1996 to enter Baptist Manor, our subsidized HUD Building, where she enjoyed her surroundings and new neighbors.

But in 2010, she was diagnosed with cancer. Following surgery, her recovery required months of rehabilitation at Baptist Homes' Skilled Nursing Facility. While our dedicated staff was able to help her beat the odds, her funds were exhausted in the process.

Thanks to the Baptist Homes Samaritan Fund for Resident Assistance, Emily was able to transition into our personal care facility, where she was able to receive the day-to-day assistance that she needed, assured that as a member of our family, she'd never be asked to leave because she could no longer afford the cost of her care.

Emily agreed to share her story with you because she wanted you to know the difference your support of this event has made, not just in her life, but in the lives of countless others Baptist Homes has adopted over more than a century of service.

Emily is living proof that we make a living by what we get, but we make a life by what we give. Thank you for making a difference.
