Welcome and Thanks!

Our 25th Annual Charity Golf Invitational is another success, with 141 golfers and more than 200 dinner guests in attendance. Baptist Homes Society owes thanks to many people for this accomplishment, but it starts with you. Thank you for joining us to help raise awareness of our mission and funds to support those entrusted to our care.

For 108 years, we have never asked anyone living in either of our South Hills senior communities to leave because they could no longer afford to pay for their care. This legacy began with the vision and generosity of our founders, and remains the core of our mission. But maintaining a legacy of quality care and benevolence is challenging. That is why we are here today.

Without our sponsors, participants and volunteers, this event would not be possible and the nearly \$100,000 that we will raise would not be there to assist residents who have outlived their resources. That is why I want to offer special thanks to all of our sponsors, but especially Transport U, HealthDirect Pharmacy Services and Spectrum Consultants, Inc. who underwrote the majority of the cost of this event. We are also honored and grateful to have Carol Semple Thompson as our honorary chair for the sixth consecutive year. Her presence endorses the importance of our mission.

I must also direct special thanks to our Board of Directors, a selfless group of men and women who volunteer their time and talent to assure that Baptist Homes Society stays true to its mission. They are supported by our Baptist Homes Auxiliary (celebrating their 75th year of volunteer service) and other dedicated and conscientious volunteers, donors and friends who keep our focus on those entrusted to us and lead by example. We are truly blessed.

So whatever role you played in today's success, know that you have made a difference in the lives of the people we serve. Tonight, Alison Wojcik will join us at dinner to tell you firsthand about her family's experience with our organization.

On behalf of everyone served by our dedicated staff, thank you and God bless you for your support of our mission and this event.

President & CEO
Baptist Homes Society

Carol Semple Thompson, Honorary Event Chair

For the sixth consecutive year, Carol Semple Thompson is serving as Honorary Chair of Baptist Homes Society's Annual Charity Golf Invitational.

Her accomplishments as an amateur golfer are legendary, having won seven USGA championships, a record 12 Curtis Cup selections (plus two more as non-playing captain) and a record number of appearances in USGA individual competitions.

Her dignity, integrity and graciousness have made Carol one of the game's great ambassadors, and in 2003 the USGA bestowed its highest honor on her by naming her the recipient of the Bob Jones Award. The award is given annually to an individual in recognition of distinguished sportsmanship in golf and seeks to recognize a person who emulates Jones' spirit, his personal qualities and attitude toward the game and its players.

Carol has been captain of two victorious USA Curtis Cup teams, one in June of 2008 at the Old Course in St. Andrews, Scotland. She won the 1973 U.S. Women's Amateur and the following year claimed the Ladies British Open Amateur title.

When the USGA created a U.S. Women's Mid-Amateur Championship for players 25 and older in 1987, Carol won that event twice: in 1990 on her home course, Allegheny Country Club, and again in 1997. Upon turning 50, she turned the USGA Senior Women's Amateur into her own personal invitational, winning four consecutive championships from 1999-2002.

The 1973 Women's Amateur title at Montclair (N.J.) Country Club remains a seminal moment. It was Carol's first national championship and brought her to the forefront of women's golf. Her other major highlight occurred at the 2002 Curtis Cup at Fox Chapel just outside of Pittsburgh.

Playing in her 12th and final match and near her hometown of Sewickley, Carol came to the 18th hole of her Sunday singles match against Vikki Laing all square. Faced with a 27-foot birdie putt from the fringe, Carol provided the match's poignant moment, holing the putt that retained the Cup for the Americans.

The exclamation mark on her career came with her induction into the World Golf Hall of Fame. We are blessed to have her as a friend.

Our Mission

To provide the highest quality of living for all those we serve, while uplifting one person at a time.

Our History

Since 1910, Baptist Homes Society has touched the lives of numerous older adults and their families throughout Pittsburgh's South Hills. We are a not-for-profit charitable organization serving adults of all faiths who require assistance because of age, illness or disability. We are dedicated to providing care regardless of financial status. The Samaritan Fund for Resident Assistance allows us to continue to care for residents even when their finances have been depleted, through no fault of their own. The funds raised through this event will be used exclusively to assist those residents who can no longer afford the care they are receiving. We thank you for contributing to the success of this event and hope that you will join us again next year. **Save the date: May 20, 2019.**

Fidelis Catalde

“My mother, Fidelis Catalde, taught us how to love unconditionally, to work hard, to help others, and above all, to respect everyone no matter whom they are. Her care providers at Baptist Homes demonstrated all of these traits and characteristics back to her every day,” said Alison Wojcik.

Tonight, Alison Wojcik will share with you her mother’s experience at Baptist Homes and will treat us to a glimpse of this extraordinary woman. Fidelis’ life was her family; with a strong character of self-sacrifice and faith, she was able to overcome adversity and raise five children on her own. She made sure all her children ate three meals a day, even if it meant sacrificing her own portion.

Fidelis was a resident at Baptist Homes for the last 18 months of her life. Soon after moving in, she was making friends, regaling staff with her many remarkable stories, and cheering on her favorite team, the Pittsburgh Penguins. In her time at Baptist Homes, Fidelis imparted her grace, kindness and selflessness to the staff who had the honor to serve her. When Fidelis was called home, our staff was there to support her family in their time of grief.

The employee motto at Baptist Homes Society is “to serve and to make a difference.” Not only do the employees work diligently to provide the highest quality of care possible and uplift those they serve, it is also the mission of the organization. In support of the mission, funds are continuously raised for the Samaritan Fund for Resident Assistance. This fund helps residents continue to receive care if they run out of funds through no fault of their own. Tonight’s event underwrites the cost of this benevolent care.

Through the people we serve and the stories their families share, BHS continues its’ 108-year legacy of providing compassionate care to our residents, whom we consider family.
